## **LAKE REGION SOLID WASTE AUTHORITY- SUSTAINABILITY RECOGNITION AWARD**

To be eligible for the Sustainability Recognition Award, 4-H and FFA members will need to declare their entry at the check in table when entering their project for the Linn County Fair. When declared their project will be judged in the division entered and the Sustainability category.

The Lake Region Solid Waste Authority will be sponsoring the Sustainability Category for the youth, and entries will be based on the following criteria;

- illustrates the benefits of recycling and/or using recycled materials OR
- encourages household composting OR
- promotes waste reduction and/or landfill diversion

Awards will be presented at the Linn County Fair Awards program on Friday during the Linn County Fair.

## OPEN CLASS GENERAL RULES

1. Exhibit must be marked plainly with the name and address of the exhibitor by means of entry tag. (Entry tags are available at the Extension Office or Floral Hall Superintendent.)
2. Nursing home or assisted living resident participants in each class will be designated by an "N" following the class number.
3. NO exhibit which has received a prize in any previous year, shall be allowed to compete for a prize.
4. Exhibitors may enter only one exhibit per class, with the exception of livestock entries.
5. All pictures and wall hangings must be able to hang unassisted with no special hardware.
6. All livestock must be typical of the breed they represent, no stags or late cuts allowed to show.
7. Check special rules for each class area. Additional classes will not be added.
8. The Superintendent's decisions are final concerning classes and eligibility within their area.
9. In all classes, or where there are one or more exhibitors, the judge reserves the right to place the entry as they see fit in regards to placing. The judge's decision is final & shall be treated with respect.
10. A Champion and Reserve Ribbon may be awarded upon judge's discretion in each of the divisions. Each division Champion winner will receive a \$5 cash prize or gift certificate provided by the Linn County Fair Association. Each Reserve Champion in adult division may receive a \$3 cash award from the Linnette Community Club. Each Reserve Champion in children and youth division may receive a \$3 cash award from Mine Creek Community Club. A \$10 cash prize will be added to the Adult division Champion of Floral Hall exhibits from an anonymous donor.
11. Premiums will be paid by the Linn County Fair Association and will be ready to pick up at the Linn County Extension Office on Monday, August 22 following the fair. Premium money will not be mailed out. Premium money not picked up by October 1 will be redeposited into the Linn County Fair Association account.
12. Exhibits removed or not left on the grounds until scheduled release time will forfeit ALL premium money, not just for that exhibit.
13. An exhibit or entry may only be entered in 4-H or open class, not both.

## HORSE

*Blue \$4 • Red \$3 • White \$2.50*

*Superintendent: Jed Umphenour and Abbie Powell*

1. The Linn County Fair Horse Show will follow the rules stated in the Kansas 4-H Horse Rule Book.
2. Each 4-H horse being entered in the 4-H Horse Show must be registered with the Extension Office prior to June 1 of the current year. Multiple family members may use the same horse, but the management of the project should be split equally between family members. A horse may not be entered in the same class more than one time in the same age division.
3. All horse entries are due on the Fairgrounds Sunday by 11:30 a.m. Check schedule for show times and locations.
4. Pre-entries are required to participate in the 4-H Horse Show.
5. A current Kansas 4-H Horse Identification form and a current Negative Coggins are required to check in.
6. The show order will run Senior division (14-18), Intermediate division (11-13), Junior division (9 & 10) and then Beginner division (7 & 8).
7. Horses should not be ridden east of the horse barns. Horses should be ridden in the arenas and in the parking areas next to the arenas.
8. Please submit a Stall Reservation Form by July 15 and the Horse Superintendent will assign stalls, if you wish to stall during fair.
9. Classes may be combined at the discretion of the Horse Superintendent.
10. Hi-Point buckles will be awarded in the Junior, Intermediate and Senior age divisions. A 4-H'er may only win one Hi-Point buckle per age division. Complete High Point Rules are available on request.
11. A horse can only show in one Western Pleasure Class.

## BUCKET CALF

*Blue \$6.50 • Red \$4.50 • White \$3.50*

*Superintendents: Barn Harvesters 4-H Club*

- Classes will be broken at the discretion of the Superintendent. They will be broken on the following criteria, age of 4-H'er and/or age of calf.
- NO BULL MAY BE SHOWN IN BUCKET CALF CLASS.
- Animals are not eligible to be sold in the Livestock Sale.
- Bucket calf exhibitors may only show in the bucket calf division. They cannot show this animal or any other animal in Beef or Dairy Classes.
- Calves must be born between January 1 of the current year and prior to May 31 of the current year.
- Criteria for judging will be based on the following:
  - Interview with judge and knowledge of the animal. Interview will be held in the 4-H building with the judge. Exhibitors will need to provide their simplified record sheet that is available at the Extension Office.
  - Health and condition of the animal.
  - Cleanliness of animal.
  - Showmanship, ability to handle, present and control the animal.
- Exhibitor may not exceed 10 years of age, unless it is their first year in the Beef or Dairy project.
- Only eligible to show in 4-H Division, not open class.
- This will be Blow and Go show. This is defined as not using adhesive, glue, paint, or powder products.

# BEEF

*Blue \$6.50 • Red \$4.50 • White \$3.50*

*Superintendent: Austin Stroup*

1. Only eligible to show in 4-H Division, not open class.
2. This will be Blow and Go show. This is defined as not using adhesive, glue, paint, or powder products.
3. Beef Show order will be breeding classes, showmanship classes (Senior, Intermediate, Junior and Beginner), market classes followed by bred and owned. Youth must complete YQCA to exhibit.
4. Any animals not deemed safe will be barred from showing, not eligible for sale, and must be removed from the fairgrounds within two hours of determinations.
5. All beef animals must be tied with a neck rope as well as a halter.

## Breeding Class Special Rules:

1. Breed registration papers must be in club members' name, or immediate family prior to June 15 in order to show in a breed class. If there are no registration papers, the animals will be shown in the AOB class.
2. Breeding classes will be shown by breeds.
3. All 4-H Breeding Beef animals must enter fair at the same time as market weigh-in. Registration papers must be presented at this time.

## Market Class Special Rules:

1. The market beef classes will show by weight. Weight classes determined by the superintendents.
2. The top two blues in each market steer class will show for Grand and Reserve Champion Market Steer and the top two blues in each market heifer class will show for Grand and Reserve Champion Market Heifer and the overall Grand and Reserve will be selected from these four animals.
3. All 4-H/FFA beef exhibitors are limited to showing three (3) breeding heifers and three (3) market animals. A total of six (6) head may be shown by one member.
4. All beef animals must enter with superintendent at the fair weigh-in.
5. Rate of Gain winner must weigh in at official county spring date and show at fair to be eligible for the award.
6. Bred and Owned Market Beef will be shown for market beef only; they will show just after the champion market animal is named. Must be raised on exhibitor's farm, bred and owned by youth or immediate family or grandparents, etc.

8. The use of existing “store bought” sets for major elements of the display is not allowed. Use of figurines from sets is allowed, as are using individual bricks to create something different than the set it came from. “Store bought” sets should be considered an arts and crafts entry.
9. Displays must have significant architectural components. Examples of architectural components include walls, windows, doors, roofs, canopies, flying buttresses, etc. Landscapes are strongly discouraged.
10. Architectural components should have a consistent look, walls and roofs that have no pattern or consistency will be deducted one ribbon placing.
11. Gaps or cracks should not be visible between assembled blocks.
12. Doors should open and close, windows can be either fixed or open and close.
13. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method.
14. You can use a partial wall or no wall, called a reveal, to show what is happening inside of a structure are acceptable, for example only having three walls to allow an unobstructed view into a room.
15. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. For example, marry-go-rounds, doors, elevators, etc. If used, judges should be able to use them and instructions should be provided for operation.
16. Artistic designs with no architectural design/components are not permitted and two ribbon placings will be deducted.
17. Each exhibit must include an Architectural Block Construction information packet:
  - 17a. Each exhibitor is required to complete the “4-H STEM Architectural Block Construction Exhibit Information Form” which is available at the Extension office or at [www.STEM4KS.com](http://www.STEM4KS.com). This form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit.
  - 17b. Each exhibit information packet should include the following items:
    1. At least one drawing of the desired architecture on graph paper, multiple views (top, front, side) are preferred, they do not need to be to scale.
    2. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state.
    3. If appropriate, operating instructions for mechanical portions of the diorama.

## STEM ARCHITECTURAL BLOCK CONSTRUCTION

*Purple/Blue \$2.50 • Red \$2.25 • White \$2*

*Superintendent: Ty Holler*

The STEM ABC exhibit area focuses on using architectural blocks ("Legos") to construct dioramas. This project allows youth to explore architectural design in a three dimensional space. **This division is not intended for youth wishing to exhibit constructed kits.** Kits and non-diorama displays should be considered an arts and crafts exhibit, they should not be displayed in this division.

1. 4-H members must be currently enrolled in the Kansas 4-H STEM – Architectural Block Construction project to exhibit in this division.
2. Each exhibitor may enter 3 exhibits. Exhibits must have been constructed during the current 4-H year.
3. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep.
4. All exhibits should be placed in a sturdy see through enclosure with a top, bottom, and 4 sides. A fish tank or a clear tub turned upside down with the exhibit placed on the lid would be an acceptable enclosure. This is to keep exhibit components from being "scattered to parts unknown" at the fair. The outer dimensions of the enclosure are part of the total exhibit dimensions.
5. All components used in construction should be dust free, clean, free of chips, scuffs, or cracks
6. The primary building component should be interlocking blocks, commonly referred to by the brand name of Lego®
7. Other components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks.

## FOODS

*Blue \$2.50 • Red \$2.25 • White \$2*

- Exhibits such as cakes, bread, etc., should be placed on a firm surface. Exhibits such as cookies, rolls, and muffins, put three on a 6 inch plate. All food exhibits should be covered with clear wrap or placed in food storage bag except for decorated cakes.
- Judges reserve the right to taste the items.
- A sample of each product will be saved for display. The remainder of the product may be claimed after judging. All products not claimed following judging will be discarded.

<b>Class</b>	<b>Open Class Adult Cookies, 3 for exhibit</b>
600	Brownies
601	Cookies, Bar
602	Cookies, Decorated
603	Cookies, Drop
604	Cookies, Rolled
605	Cookies, Shaped

may be staked to the ground for display.

- Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
- Painting or spot painting is not allowed on projects after arrival on fairgrounds. If wet paint is detected by judges or superintendents one ribbon placing will be deducted.
- Repair projects having adequate original finish need not be repainted.
- Cutting surfaces, such as blades or knives, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam "pool noodles" and multiple layers of cardboard are acceptable.
- Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
- If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.
- Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.
- Each exhibit must include an Ag Mechanics information packet:
  - Each exhibitor is required to complete the "4-H STEM Ag Mechanics Exhibit Information Form" which is available through your local K-State Research and Extension office or at [www.STEM4KS.com](http://www.STEM4KS.com). This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit.
  - Each exhibit information packet should include the following items:
    - Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost.
    - 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state.
    - If appropriate schematics or working drawings relating to the creation or repair, this is not required for display boards.
    - If appropriate, operating instructions.
- Additionally, exhibitors may create an optional video (not required) about their project showing its operation and the work they have done. This allows judges to get a better understanding of the exhibit and allows the youth the opportunity to fully demonstrate their exhibit. The video should be no longer than 8 minutes. Please bring a device to play your video for the judge at the fair.

**Introductory Classes (about 1 - 3 years' experience).** This classes are designed for youth with little to no exposure in the project area so that they can gain an understanding of basic principles and methods in the given area.

5. Remote controlled robots are allowed under certain conditions provided that the robot is not drivable. Remote controlled cars, boats, planes and/or action figures, etc. are not allowed.
6. Each robot must be in operable working condition. The judges will operate each robot to evaluate its workmanship.

### Astronomy

1. Telescopes entered in this division may be built from a kit or by original design. Pre-finished telescopes, which require no construction or painting, are not acceptable exhibits.
2. Telescopes are limited to no more than six feet in length. They must be placed on a stationary stand that does not allow the telescope to roll and/or fall over. The stand cannot extend past two feet in length or width.
3. Each exhibit must include an exhibit information form which should be attached to the outside of a 10" x 13" manila envelope. You must also include construction plans (or a photocopy) of the telescope and place it inside the manila envelope.
4. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
5. Two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8½" x 11" page. A brief caption should accompany each photograph. Place photos in the 10" x 13" manila envelope.

## GEOLOGY

*Purple/Blue \$2.50 • Red \$2.25 • White \$2*

*Superintendent: Annaliessa Baird*

1. The standard size exhibit box should be 18" x 24" x 3 1/2". All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep. Exhibit box should have a sliding Plexiglass cover, so it can be removable from the top. Screws, locks, or other devices that would prevent judges from removing Plexiglass cover should not be used.
2. Each exhibitor is required to identify each display box by placing an identification label bearing name, county and number of specimens in the upper left-hand corner of the Plexiglass cover (inside, use clear double sided tape to adhere gummed labels) and by attaching a label with the same information on the lower right corner of the box (outside). The inside label is to also indicate the class number.
3. Exhibitor may enter in both geology and lapidary classes. Exhibitor may show in only one of the first three geology classes. Exhibitor may also show in geology class 2248 (special exhibit) and in the lapidary class.
4. Geology specimens should be labeled with the number of the specimens, date collected, specimen name or description, and locality (county) where collected.
5. For the geology classes 2355-2357, all specimens should be mounted in the box by proper groups – rocks, minerals, fossils.
6. For geology classes 2355-2357, all specimens must be collected from locations in Kansas. Out of state specimens will not count in the minimum number for the class, or be considered in the judging.

<b>Class</b>	<b>4-H Geology</b>

- Exhibits must have been preserved since the member's previous year's county fair.
- May exhibit one entry in each class, up to 3 classes.
- Recommended recipes and processing methods must be used. Recipes must be from current, tested resources. Processing methods that will be disqualified include: open kettle canning, oven canning, sun canning and using electric multi-cookers. Untested recipes will be disqualified for food safety reasons. Obtain current recipe sources from the Extension Office.
- Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.
- Each exhibit must have the complete recipe and instructions attached with entry card, or it will be lowered one ribbon placing. Recipe must include exhibitor name, recipe source, date of publication and altitude of residence.
- Exhibits must be sealed in clean, clear standard canning jars, with matching brand (ex: use Ball lids on Ball jars, or Kerr lids on Kerr jars, etc.) two piece lids. Do not use colored jars. Do not add fancy padded lids, fabric over-wraps or cozies as they interfere with the judging process. No fancy packs unless recipe states to do so (ex: pickled asparagus). Jars must be sealed when entered. For food safety reasons, the size of jars used must not be larger than the jar size stated in the recipe. Note: There are 12-ounce and 24-ounce canning jars available and may be used. Use pint jar process recommendations for 12 ounce jars. Use quart jar process recommendations for 24 ounce jars.
- Each jar exhibit must be labeled. The label must not cover brand name of jar. The label must give: Class No, Product Altitude of Residence, Canning Method (water bath weighted gauge or dial gauge pressure method), Process Time Pressure (psi), Date Processed including month and year, Name and County/District. Labels may be picked up from the Extension Office.
- If dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 - 1/2 cup, or three or four pieces per exhibit. All meat jerky must be cooked to an internal temperature of 160° F before or after drying. Dried products must

Exhibit 3 cookies, 3 muffins, 3 bread sticks, 1 loaf bread, etc.

6. Under-baked entries will be lowered one or more ribbon placings.
7. All unfrosted cakes should be exhibited in an upright position with crust showing. The exception is for those cakes made with special designs such as Bundt cakes. They should have top crust side down.
8. Any baked product that can be removed from the pan should be placed on a plate, covered cardboard or disposable container.
9. Exhibits should be in food grade plastic bags, disposable plastic containers or boxes.
10. Educational classes: Exhibits may be in the form of a poster, notebook or display. Follow copyright laws as you are preparing your exhibit. No card table displays are allowed. See 4-H General Rules for poster and display guidelines. NOTE: a collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit.
11. State Fair Special Rule. A 4-H member may enter one entry in a non-perishable class and one entry in an educational class if they receive a purple ribbon.

## PLANT SCIENCE

*Purple/Blue \$2.50, Red \$2.25, White \$2*

*Superintendents: Tracy Lindsey & Cierra Lindsey*

1. Exhibits must be a product of and grown by the actual exhibitor, not a family member.
2. Vegetable exhibits must be shown on 8" or 9" disposable plate, provided by the exhibitor.
3. Exhibitors may enter a maximum of 8 entries in horticulture phase but only 1 per class.

### Garden Display

Each exhibitor in this class will be limited to 4 square feet of space. Exhibit consists of five different fresh vegetables. Canned vegetables are not accepted. Only one variety of a specific vegetable may be exhibited. Shelled vegetables should not be exhibited. Quality and condition of the exhibit will be considered. Choose vegetables for exhibit that will hold up well during the

box with a clear plastic top (such as Plexiglass). Boxes can be handmade or purchased as long as they are of the correct size. Arrange display in the box so the box can be displayed lengthwise.

- Each exhibitor is required to identify each box by placing two identification labels bearing exhibitor's name, county or district and the class in the box. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside).
- Displays may consist of specialized groups of insects or their close relatives, or relate to any aspect of their behavior, biology or ecology.
- Displays should be presented in a clear, concise, and interesting manner.
- Displays should include only work performed during the current year.
- Title of the exhibit should be indicated inside the box.
- The purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity, etc., of insects and related arthropods. Subject matter can be as varied as the animals themselves.
- Creativity is encouraged!

2. Members must be enrolled in the phase of the project in which they exhibit.
3. Exhibits must have been made or completed during the current project year (project year is October 1 of previous year thru September of current year). This includes market animals. Breeding animals are excluded because they can be brought back multiple years.
4. Pre-entries are required for ALL 4-H and FFA exhibits, as established by Marais des Cygnes District, Mound City Office. Pre-entries due **July 15**. Late entries will be accepted July 17-21 with a \$20 fee per family.
5. All animals to be housed at the fair must have a stall reservation form turned into the extension office by July 15.
6. Exhibits brought to the fair **MUST** be tagged appropriately. Entry cards will be available prior to fair.
7. Members are limited to **three entries** in each phase or division they are enrolled in, unless otherwise stated in division rules.

notebook. See project guideline materials for specifications.

2163	<b>INTRODUCTORY ENTOMOLOGY NOTEBOOK</b> Display a minimum of 10 and a maximum of 30 insect species representing at least 6 different orders. Follow the general guidelines listed for Notebooks, including the Special project. A 4-H member must be of minimum age to compete at the Kansas State Fair. A 4-H member may exhibit in this class for a maximum of two years.
2164	<b>BEGINNING ENTOMOLOGY NOTEBOOK</b> Display a minimum of 20 and a maximum of 60 insect species representing at least 7 different orders. Follow the general guidelines listed for all Notebooks, including the special project. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.
2165	<b>INTERMEDIATE ENTOMOLOGY NOTEBOOK</b> Display a minimum of 60 and a maximum of 100 species representing at least 9 orders. Follow the general guidelines listed for Notebooks, including the Special project. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging.) a) "Insects in Kansas" book—Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or b) "Insects in Kansas Book: 2016 Revised Taxonomy" which follows <a href="http://www.bugguide.net">www.bugguide.net</a> - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera Members can exhibit in this class a maximum of 3 years. A 4-H'er may move up if they receive a purple ribbon.
2166	<b>ADVANCED ENTOMOLOGY NOTEBOOK</b> Display a minimum of 100 and a maximum of 200 species representing at least 12 orders. Follow the general rules listed for Notebooks, including the Special project. Follow the general guidelines listed for Notebooks. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

### ENTOMOLOGY EDUCATIONAL DISPLAY CLASSES GUIDELINES

1. All entries should be submitted in an 18x24x3.5 inch wooden display

## ENTOMOLOGY NOTEBOOK CLASSES GUIDELINES

1. Individual entries are to be placed for display in a three-ring notebook for competition.
2. During the transition, orders & family names should follow the taxonomy either a) as printed in "Insects in Kansas" book or b) "Insects in Kansas Book: 2016 Revised Taxonomy," which follows [www.bugguide.net](http://www.bugguide.net). Project members are encouraged to progress towards option by 2019 or as revised "Insects in Kansas" book is available.
3. 4-H'ers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the Introductory phase.
4. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitor's name, county or district and class 4-H'er is enrolled in and statement of taxonomy used:
  - a) "Insects in Kansas" book or
  - b) "Insects in Kansas Book: 2016 Revised Taxonomy," which follows [www.bugguide.net](http://www.bugguide.net).
5. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
6. Date, common name, full county name and state abbreviation should be included for each species. Collector's name on the specimen page is optional.
7. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
8. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.
9. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page as well as on the front of the divider page.
10. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.
11. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in the front of the notebook.
12. A special project must be completed each year and included in the

8. Posters may not be larger than 22" x 28".
9. Display maximum size is 3' x 4'.
10. Those in charge will assume no responsibility for exhibits left on the fairgrounds after release time.
11. **State Fair eligibility:** Only designated exhibits in all classes, except livestock, will be allowed to progress. Only Junior, Intermediate and Senior level exhibits are eligible. Limits and restrictions may apply; see each division for specific details.
12. The judge has the final authority; please treat them with respect and courtesy.
13. Age Levels:
  - a. Level I Beginner, ages 7-8 years old.
  - b. Level II Junior, ages 9-10 years old.
  - c. Level III Intermediate, ages 11-13 years old.
  - d. Level IV Senior, ages 14-18 years old.
14. Cloverbud Guidelines (Tag-A-Longs) 5-6 year olds:
  - a. Must be enrolled in Cloverbuds project.
  - b. May exhibit one project at the fair, must complete pre-fair entry form with Class as 1 (one) and fill in class description. Example: Class 1 Foods exhibit
  - c. Cloverbuds **may not** exhibit a market animal and show in competitive divisions.
  - d. May participate in the Pee Wee Show after each livestock show and Style Revue (see Clothing and Textiles section regarding script).
  - e. Will receive a "participation" ribbon and a \$1 premium. Any exhibit not left or removed before release time, will forfeit all premium money not just that exhibit.
15. All stalls are pre-assigned and premium will be forfeited if changed without approval of superintendent. Stalls must be cleaned by 10 p.m. on Saturday or premium is forfeited.

## LIVESTOCK AUCTION

1. A valid Linn County 4-H /FFA member in good standing can sell if they have not participated in any other county fair premium auction during the current year regardless of species. They must show their own animal in the sale ring. Maximum of only two head per exhibitor, but only one of each species. (example: one sheep & one hog, or one beef and one hog)
2. To be sold through the sale the animal must meet the following minimum weight requirements. Animals that don't make weight cannot be base bid.
  - Meat Goats - 50 lbs. • Sheep - 95 lbs.
  - Swine - 225 lbs. • Market Heifers - 1000 lbs.
  - Market Steers - 1050 lbs.
3. All Beef, Sheep, Swine, and Meat Goat market animals that received a Champion or Reserve Champion MUST sell in the premium livestock auction.
4. If a youth has Champion in all four species then they must choose which two species Champion will sell. If they receive two Champions and a Reserve Champion, then both Champions will sell and the Reserve will have to take the base bid option or be taken home.
5. Sale order will be Champion of each species, then Reserve Champion of each species, followed by Blue ribbon, Red ribbon, White ribbon animals in each designated species.
6. Anyone who violates sale rules will be barred from the sale in all species this year and any following year. They will also forfeit all premiums to be received by the fair association or sale buyers for current year on all animals including base animals.
7. All animals may be subject to a second weight for sale requirements.
8. If the owner consigns an animal to the sale and it is sold, the animal CANNOT be purchased and taken home; ownership belongs to

and placed in a separate section of the box labeled "Out of State Insects." These specimens will not be included in the count for judging/scoring. Emphasis in judging will be placed on the overall variety of insects represented in the collection, accuracy of identification, skill and technique acquired in mounting of specimens, and overall arrangement and appearance of the collection.

8. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.
9. Specimens of soft bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

2159	<b>INTRODUCTORY COLLECTION</b> Display in one or two shoe boxes, pencil boxes, plastic storage boxes or one standard display box a minimum of 15 and a maximum of 30 species representing at least 6 orders. The boxes should be covered with a piece of cellophane wrap, clear plastic lid, or plexiglass taped across the top of the box or covering the box. Follow the general guidelines listed for Collections. Members may exhibit in this class for a maximum of 2 years once they become a 4-H member. There is no Kansas State Fair class for this level.
2160	<b>BEGINNING I ENTOMOLOGY COLLECTION</b> Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.
2161	<b>BEGINNING II ENTOMOLOGY COLLECTION</b> Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.
2162	<b>INTERMEDIATE ENTOMOLOGY COLLECTION</b> Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for Collections. In addition, family identification is required for all insects in any two of the following six orders: orders of Orthoptera, Hemiptera, Odonata, Coleoptera, Diptera, and/or Hymenoptera. Members can exhibit in this class a maximum of 3 years.

Superintendent: Baylee Teagarden

## ENTOMOLOGY COLLECTION CLASSES GUIDELINES

1. All entries should be submitted in an 18 x 24 x 3.5 inch wooden display box with a clear plastic top. Boxes can be handmade or purchased as long as they are of the correct size and do not have a glass top.
2. Identification should follow the taxonomy included in [www.bugguide.net](http://www.bugguide.net). Project members are encouraged to progress toward the taxonomy found in "Insects in Kansas" book or "Insects in Kansas Book: 2016 Revised Taxonomy" by 2019.
3. Each exhibitor is required to identify each box with two identification labels bearing exhibitor's name, county or district and the class the 4-H'er is enrolled in and the statement of taxonomy used in the "Insects in Kansas" book or "Insects in Kansas Book: 2016 Revised Taxonomy" which follow [www.bugguide.net](http://www.bugguide.net). One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so it can be displayed lengthwise.
4. The number of orders, specimens (and families where required) must be included on both of the exhibitor's box identification labels. Only adult specimens can be used in collection boxes; however one female and one male of a species correctly identified can be displayed.
5. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Arrangements that run lengthwise of the box are frequently downgraded in judging. Specimens are to be arranged by order in the box, then family where required. The sequence arrangement of the orders in the box will be left up to the member. It is suggested to put the Lepidoptera and Coleoptera in the center of the collection (for Intermediate and Advanced Classes to put these two orders in a box). Then work the other orders around them.
6. For each collection class, two labels will be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/ locality. Full county name, state abbreviation and collector name on the second label will be required in 2019. Collector's name on the date/locality label is optional.
7. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Other specimens from the United States may be included as long as they are properly labeled

buyer. Further the sale proceeds will be forfeited on all animals including base animals.

9. 4-H / FFA animals will be sold by premium dollar.
10. All salesmen must have a current YQCA Certification **prior to June 15th** to participate in the Livestock Auction or to sell base bid animals.
11. All animals being sold must have a livestock Auction Entry Form filled out and fees turned into the Fair Office in the Ag Building.
12. 4-H / FFA member must return one of the sheets with the buyer signature to the Auction Secretary before premiums can be paid to them.
13. Sale sign-up will be at the Fair Office during fair week.
14. **Deadline to sign up is Noon on Thursday, August 11.**
15. Late entries will be sold at the end of their respected species. Must contact Fair Office for Sale Chairman approval.
16. In accordance with the tax laws, exhibitors will receive a 1099 from the Linn County Livestock auction if their premium meets or exceeds the required amount set by current tax laws. Exhibitors selling must provide their social security number or tax ID prior to issuing any premium winnings. Youth participating in the Linn County Livestock Auction will need to provide their social security number and all information is confidential. Please consult your tax advisor on filing procedures.

## 4-H & FFA SHOWMANSHIP RULES

1. All exhibits entering the Showmanship class will receive a ribbon. Ribbons will be awarded according to the Danish system, Blue, Red,

- and White. The judge will be asked to give oral comments for exhibitors.
- The animals fitted and shown must be the 4-H/FFA project of the person showing the animal.
  - Livestock shows will be BLOW AND GO. This is defined as not using adhesive, glue, paint, or powder products.
  - All showmanship classes will be divided and shown in the following order 1. Senior (14 years & Up), 2. Intermediate (11-13 years of age), 3. Junior (9 & 10 years of age). 4. Beginner (7 & 8 years of age) as of January 1 of current year.
  - A final Showmanship Champion of overall livestock classes will be selected in the Round Robin; see Round Robin rules. (Beef, Goat, Sheep and Swine)
  - To be eligible for the FFA Showmanship division at the Linn County Fair the FFA member must be participating in the species through a Linn County FFA Crop Program or have a current SAE agreement submitted by their Linn County FFA Advisor. FFA Showmanship will be offered in the following species: Beef, Goat, Sheep and Swine. The winner of the FFA Showmanship in each of the prior mentioned species will be eligible for the Round Robin.

## 4-H & FFA ROUND ROBIN RULES

- A champion showman will be selected in the Junior and FFA (9 & 10) Intermediate (11-13) and Senior (14 and older) age divisions from each of the following species: Beef, Goat, Sheep, & Swine to participate in the Round Robin Contest. An Overall Grand Champion Round Robin Showman will be selected in the Junior, Intermediate and Senior age divisions.
- Exhibitors are required to provide their champion showmanship animal for the Round Robin contest. Other animals needed will be requested by the Contest Superintendents.
- The judge will provide oral comments for exhibitors.
- If a showman is selected as top showman in more than one species, they must designate which species they will represent. The reserve showman in the non-selected species will be nominated to represent that species in the competition.
- Exhibitors may only win the Round Robin Showmanship one time per age division.
