## OPEN CLASS GENERAL RULES

1. Exhibit must be marked plainly with the name and address of the exhibitor by means of entry tag. (Entry tags are available at the Extension Office or Floral Hall Superintendent.)
2. Nursing home or assisted living resident participants in each class will be designated by an "N" following the class number.
3. NO exhibit which has received a prize in any previous year, shall be allowed to compete for a prize.
4. Exhibitors may enter only one exhibit per class, with the exception of livestock entries.
5. All pictures and wall hangings must be able to hang unassisted with no special hardware.
6. All livestock must be typical of the breed they represent, no stags or late cuts allowed to show.
7. Check special rules for each class area. Additional classes will not be added.
8. The Superintendent's decisions are final concerning classes and eligibility within their area.
9. In all classes, or where there are one or more exhibitors, the judge reserves the right to place the entry as they see fit in regards to placing. The judge's decision is final & shall be treated with respect.
10. A Champion and Reserve Ribbon may be awarded upon judge's discretion in each of the divisions. Each division Champion winner will receive a \$5 cash prize or gift certificate provided by the Linn County Fair. Each Reserve Champion in adult division may receive a \$3 cash award from the Linnette Community Club. Each Reserve Champion in children and youth division may receive a \$3 cash award from Mine Creek Community Club. A \$10 cash prize will be added to the Adult division Champion of Floral Hall exhibits from an anonymous donor.
11. **NEW:** Cash premiums will be paid by the Linn County Fair Association and will be available from noon to 2 p.m., on Saturday, August 8 at the fair office. And then at the Linn County Extension Office from Tuesday, August 11 through Thursday, September 17. Premium money will not be mailed out. If not picked up, all funds will be redeposited into the Linn County Fair Association account.
12. Exhibits removed or not left on the grounds until scheduled release time will forfeit ALL premium money, not just for that exhibit.
13. An exhibit or entry may only be entered in 4-H or open class, not both.
14. All items must be made by exhibitor in the past 12 months prior to judging.

top, bottom, and 4 sides. A fish tank or a clear tub turned upside down with the exhibit placed on the lid would be an acceptable enclosure. The outer dimensions of the enclosure are part of the total exhibit dimensions.

- All components used in construction should be clean, free of chips, scuffs, or cracks or broken blocks.
- The primary building component should be interlocking blocks, commonly referred to by the brand name of Lego.®
- Other components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks.
- The use of existing "store bought" sets for major elements of the display is not allowed. Use of figurines from sets is allowed, as is using individual bricks to create something different than the set it came from. "Store bought" sets should be considered an arts and crafts entry.
- Gaps or cracks should not be visible between assembled blocks.
- You can use a partial wall or no wall, called a reveal, to show what is happening inside of a structure are acceptable, for example only having three walls to allow an unobstructed view into a room.
- Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. For example, marry-go-rounds, doors, elevators, etc. If used, judges should be able to use them and instructions should be provided for operation.
- Each exhibitor is required to complete the "4-H Building Block Engineering Exhibit Information Form," which is available through your local K-State Research and Extension office or at <http://blocks.engtech4ks.com/>. This form must be attached to the outside of a 10" x 13" manila envelope. Each exhibit information packet should include the following items: a. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state, if appropriate operating instructions for mechanical portions of the diorama.

5. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
6. Cutting surfaces, such as blades, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam "pool noodles" and multiple layers of cardboard are acceptable.
7. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
8. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.
9. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.
10. Each exhibitor is required to complete the "4-H STEM Ag Mechanics Welding Exhibit Information Form" for each exhibit, except for display boards, which is available through your local K-State Research and Extension office or at <http://welding.engtech4ks.com/>. This form must be attached to the outside of a 10" x 13" manila envelope.

# AG MECHANICS WELDING

*Purple/Blue • \$2.50 • Red \$2.25 • White \$2*

*Superintendent: Ty Holler*

1. Each exhibitor may enter two exhibits. Exhibits must have been constructed or repaired during the current 4-H year
2. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display. Exhibitors are responsible for providing sufficient braking or "chocks" for trailer exhibits to ensure that the exhibits do not move once positioned.
3. For trailer exhibits the tongue of the trailer should have a locking mechanism (e.g. padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed.
4. For exhibits with downward swinging parts, such as tailgates, that could pose a fall/striking/crushing hazard should have a tamper resistant locking mechanism such as a "zip-tie" or a "cotter-key"

- pre-finished rockets requiring no painting.
- For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
  - Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet available at <http://rocketry.engtech4ks.com/>. For example, a rocket that may have crashed and/or is highly damaged may be made into an educational display or poster that tells a great story with many lessons learned.

#### 4-H Robotics

- Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited. Must have been constructed and/or completed during the current 4-H year.
- Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds.
- All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
- Robots may be powered by an electrical, battery, water, air or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified.
- Remote controlled robots are allowed under certain conditions provided that the robot is not drivable. Remote controlled cars, boats, planes and/or action figures, etc. are not allowed.
- Each robot must be in operable working condition. The judges will operate each robot to evaluate its workmanship.
- Each exhibitor is required to complete the "4-H STEM Robotics Exhibit Information Form" which is available through your local K-State Research and Extension office or at <http://robotics.engtech4ks.com/> This form must be attached to the outside of a 10" x 13" manila envelope.

**COMPLETE RULES TO EXHIBIT MUST BE PICKED UP AT THE EXTENSION OFFICE FOR ROCKETRY, ROBOTICS AND ASTRONOMY.**

### 4-H Rocketry

1. Each exhibitor may enter up to two rocket exhibits that have been constructed during the current year.
2. 4-Hers are to complete and sign the rocketry information form, available from <http://rocketry.engtech4ks.com/> or your local extension office and attach it to a 10" x 13" "manila" envelope. The envelope should contain: a. Instructions on how to construct the rocket. b. Up to 5 pages of pictures, pictures are to be attached to sheets of paper, from both construction and launch. c. Documentation of any flight damage that occurred. d. Any modifications made to the rocket except for paint scheme and decals. e. An additional page for altitude calculations if the space on the form is not enough. f. Additionally, for original design rockets, also known as "scratch built" rockets: additional pages of photos are allowed, and include documentation of how the rocket was tested for stability.
3. Rockets are to be displayed upright on a display stand with a sturdy rod that does not extend past the top of the rocket, or stand unassisted, unless the rocket is taller than 4 feet, in which case no display stand is required and the rocket may be displayed on its side.
4. Rockets ARE NOT to be displayed with used or unused rocket engines either in the rocket or as part of the stand.
5. Rockets should be flown unless there is an active burn ban in the county or conditions are too dangerous to safely launch the rocket. Just flying the last stage (the part with the nose cone) of a multi-stage rocket is acceptable.
6. Rockets, except those in the Level I and II divisions, are not to be "beginner kits" or use prefabricated (molded plastic) fin assemblies, or

4. Photos are to be mounted across the narrow (11") dimension of an 11" x 12.5" sheet of white or cream studio mat board. Photos mounted on poster board will not be displayed. You may purchase mat boards at the Extension Office.
  5. Photos must be mounted with the top edge of the print 1" below the top of the mount (board is always oriented narrow side up). The sides of the print must be equal distance from the two sides of the mount.
  6. A permanent mount must be made by using photographic adhesive.
  7. The Kansas State Fair 4-H Photography ID Form (available from the Extension Office) must be used and mounted correctly on the bottom front of the mat board. This will be illustrated in an instruction sheet.
  8. No lettering, including dates, is permitted on the front of the mount or on the photo. Only the Kansas State Fair 4-H Photography ID Form is to have lettering on it. No underlay or borders are to be used.
  9. To protect exhibits from dust and moisture, place mounted photo in protective plastic bag, available from the Extension Office.
  10. Improperly mounted photos, oversize or undersize photos with the white borders not removed or lettering (including dates) on the photo, will be awarded a ribbon one placing lower than the placing determined by the official judges.
  11. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black.
  12. The black and white class is for black and white prints only. Monochromatic prints, including sepia prints are considered color photos and must be entered in the appropriate color photo class.
  13. Appropriate photo subject matter: Photographic subject matter is expected to follow 4-H standards. For the sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph.
  14. Photos with live subjects on railroad right of way or taken from railroad right of way property will not be displayed in Kansas 4-H Photography and will be **disqualified and not judged**.
  15. Copyright protections must be observed.
  16. Decisions as to display and/or penalties will be made by the Photography Department Superintendent and the 4-H agent responsible for the photography department.
  17. State Fair Special Rules. Only one exhibit per 4-H member/exhibitor may be entered. Exhibitors (members) with 8 years or more of 4-H photography project experience may enter 2 photographs as long as the photographs are in different classes.

## HOME ENVIRONMENT

Purple/Blue \$2.50 • Red \$2.25 • White \$2

Superintendent: Courtney Lanham

- The goal is to create a space that feels inclusive, functional, and inviting to all. The home environment project will give you the opportunity to design, create and implement what you've learned by creating a notebook, project board or item.
- Include a summary with plans, explanation of how the items was made or refinished, and how it fits into the color and design of the room. Summary could also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Summary should be in a plastic protective sleeve
- Single Exhibit Class
  - An article made or refinished by the 4-H member for the home.
    - Understand how the item was made or refinished, costs involved and how it fits in the color and design of the room.
- Projects with missing or insufficient summary will be lowered one ribbon placing.
- Exhibits should be of high quality (as compared to quick, simple crafts), suitable for use in the home several months throughout the year.
- Poster or display or notebooks may include swatches, colors, stories, photographs, and project records which detail what was accomplished this year with a given indication of long-term plans. See 4-H General Rules for Poster and Display Guidelines.
- This project does not qualify for the Kansas State Fair.

  - Specimen name
  - Place of origin (country, state, or county; county required for Kansas specimens)
  - Purchased or self-collected
  - Date lapidary treatment began
  - Date lapidary treatment completed
- An exhibit box smaller than the standard size may be used for the lapidary exhibits if appropriate (18" x 12" x 3.5").
- Specimens should be arranged across the 18" dimension of the exhibit box, making the exhibit 18" across the top and 12" deep.

- Name, club, age, and year in project should be on front cover or in a prominent location.
- Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include (1) The proper common name as listed in the 4H334, "List of Native Kansas Forest Trees" 2) Location (city and/or county) where collected; and (3) date (day, month, year) or (month, day, year) collected.
- Divide specimens into the following two sections: Native Kansas Trees, and Non-Native Trees.
- New specimens are those specimens collected during the current 4-H year and cannot be a duplicate tree species of previously displayed specimens.
- Group specimens according to the years collected (ex. "old-previous years" and "new").
- Variations of varieties do not count as different species or specimens.
- In all leaf collections, exhibit one complete leaf where possible. If leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. Note: A "leaflet" is incorrect when displayed as the complete leaf for the tree.

## GEOLOGY

*Purple/Blue \$2.50 • Red \$2.25 • White \$2*

*Superintendent: Annaliessa Baird*

- The standard size exhibit box should be 18" x 24" x 3 1/2". All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep. Exhibit box should have a sliding Plexiglass cover, so it can be removable from the top. Screws, locks, or other devices that would prevent judges from removing Plexiglass cover should not be used.
- Each exhibitor is required to identify each display box by placing an identification label bearing name, county and number of specimens in the upper left-hand corner of the Plexiglass cover (inside, use clear double sided tape to adhere gummed labels) and by attaching a label with the same information on the lower right corner of the box (outside). The inside label is to also indicate the class number.

Examples on how to calculate this percentage are included in the publication located at: <https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf>. A worksheet is available at: [https://bookstore.ksre.ksu.edu/item/frostings-and-fillings-worksheet\\_4H1171](https://bookstore.ksre.ksu.edu/item/frostings-and-fillings-worksheet_4H1171). An exception is German Chocolate Cake frosting, they are safe at room temperature.

- Alcohol (ex: wine, beer and hard liquor) is not allowed as an ingredient in food entries. Entries with Alcohol in the recipe will be disqualified and not be judged.
- All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit 3 cookies, 3 muffins, 3 bread sticks, 1 loaf bread, etc.
- Under-baked entries will be lowered one or more ribbon placings.
- All unfrosted cakes should be exhibited in an upright position with crust showing. The exception is for those cakes made with special designs such as Bundt cakes. They should have top crust side down.
- Any baked product that can be removed from the pan should be placed on a plate, covered cardboard or disposable container.
- Exhibits should be in food grade plastic bags, disposable plastic containers or boxes. Food brought in glass is acceptable, but not encouraged.
- Educational classes: Exhibits may be in the form of a poster, notebook or display. Follow copyright laws as you are preparing your exhibit. No card table displays are allowed. See 4-H General Rules for poster and display guidelines. NOTE: a collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit.

**PLANT SCIENCE**

*Purple/Blue \$2.50, Red \$2.25, White \$2*

*Superintendents: Tracy Lindsey & Cierra Lindsey*

1. Exhibits must be a product of and grown by the actual exhibitor, not a family member.
2. Vegetable exhibits must be shown on disposable plate, provided by the exhibitor.
3. Exhibitors may enter a maximum of 4 entries.

**Garden Display**

Each exhibitor in this class will be limited to 4 square feet of space. Exhibit consists of five different fresh vegetables. Canned vegetables are not accepted. Only one variety of a specific vegetable may be exhibited. Shelled vegetables should not be exhibited. Quality and condition of the exhibit will be considered. Choose vegetables for exhibit that will hold up well during the fair. Avoid over-ripe or over-mature specimens. Those that are slightly under-ripe or slightly immature when picked may last longer.

The number of the five vegetables to be exhibited are as follows:

**Large Vegetables – One Each**

Watermelon, Winter Squash, Pumpkin, Eggplant, Cantaloupe, Summer Squash, Cabbage or similar size vegetables.

**Medium Vegetables – Five Each**

Cucumbers, Parsnips, Tomatoes, Okra, Carrots, White or Russet Potatoes, Beets, Sweet Potatoes, White Onions, Peppers, Cherry Tomatoes, Red Potatoes, Turnips, Yellow Onions, Red Onions, Bell Peppers, Sweet Corn or similar size vegetables. Plate of 12: Green Snap Beans, Yellow Wax Beans. If small fresh vegetables, such as green beans, are used as one of the five different vegetables, a dozen is suggested for a good display.

**Fresh Culinary Herbs – Six Stems of One Variety of Fresh Herbs**

(ex: parsley, basil, dill, etc.). Must be exhibited in a disposable container of water. Dried herbs are not accepted.

**Small Fruits – One Half Pint Box** (ex. strawberries, blackberries, raspberries, or other similar sized fruits.)

**Tree fruits – Plate of 5** (ex. apples, pears, peaches, or similar sized fruits.)

second label should include date/locality. Full county name and state abbreviation should be on the second label. Collector's name (or host) on the date/locality label is optional.

18. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Please refer to "Entomology Collection Exhibit Resource" for full details on out-of-state insects in collections.
19. Only specimens of the class Insecta should be included.
20. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.
21. Specimens of soft bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.
22. Special State Fair Requirements: To qualify for the state fair, obtain guidelines from the Extension Office.

one adult insect per specimens can be used in Collection Boxes and Notebook Classes, unless labeled as male or female and correctly identified.

5. Individual entries are to be placed for display in a three-ring notebook for competition.
6. 4-H'ers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the Introductory phase.
7. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitor's name, county or district and class 4-H'er is enrolled in and statement of taxonomy used:
  - a) "Insects in Kansas" book or
  - b) [www.bugguide.net](http://www.bugguide.net).
8. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
9. Date, common name, full county name and state abbreviation should be included for each species. Collector's name on the specimen page is optional.
10. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
11. A statement describing the habitat where found/host plant may be included and is encouraged. For Intermediate and Advanced notebooks, this is strongly encouraged.
12. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page as well as on the front of the divider page.
13. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.
14. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in the front of the notebook.
15. A special project must be completed each year and included in the notebook. See project guideline materials for specifications.
16. Arrange specimens in groups or rows parallel to the short sides of the box. Specimens are to be arranged by Order in the box, then Family where required.
17. Two labels should be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the

4. Exhibits may include:

- Display: Exhibit a display, selecting one of the following options: 1) a display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts; OR 2) a display identifying and explaining the function(s) of different special tools needed for small engine work; OR 3) a display illustrating and providing the results of any one of experiments that are included in the project books. No complete engines, lawn tractors, tillers, chain saws are permitted for display.
- Maintenance: Exhibit a display that illustrates either: 1) Routine maintenance procedures OR 2) Diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chain saws, etc. are permitted for display.
- Operation: Exhibit an operable small engine overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine.

### Entomology Collection Classes Guidelines

1. All entries should be submitted in an 18 x 24 x 3.5 inch wooden display box with a clear plastic top (such as Plexiglas). Boxes can be handmade or purchased as long as they are of the correct size.
2. 4-H members may choose to use one of two taxonomies:
  - Option A: As printed in "Insects in Kansas" book, or
  - Option B: which follows [www.bugguide.net](http://www.bugguide.net).
3. Each exhibitor is required to identify each box with two identification labels bearing exhibitor's name, county or district and the class the 4-H'er is enrolled in and the statement of taxonomy used. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so the box can be displayed lengthwise.
4. The number of orders, specimens (and families where required) must be included on both of the exhibitor's box identification labels. Only

## LIVESTOCK AUCTION

1. A valid Linn County 4-H /FFA member in good standing can sell market animals at the county fair premium auction during the current year regardless of species. They must show their own animal in the sale ring. Maximum of only two head per exhibitor, but only one of each species. (example: one sheep & one hog, or one beef and one hog)
2. To be sold through the sale the market animal must meet the following minimum weight requirements. Animals that don't make weight cannot be base bid.
  - Meat Goats - 50 lbs. • Sheep - 95 lbs.
  - Swine - 225 lbs. • Market Heifers - 1000 lbs.
  - Market Steers - 1050 lbs.
3. Sale order will be Champion of each species, then Reserve Champion of each species, followed by Blue ribbon, Red ribbon, White ribbon animals in each designated species.
4. Anyone who violates sale rules will be barred from the sale in all species this year and any following year. They will also forfeit all premiums to be received by the fair association or sale buyers for current year on all animals including base animals.
5. All animals may be subject to a second weight for sale requirements.
6. If the owner consigns an animal to base bid to the sale and it is sold, the animal CANNOT be purchased and taken home; ownership belongs to buyer. Further the sale proceeds will be forfeited on all animals including base animals. If they mark premium only the animal can be taken home and shown at shows that allow it. All animals must sold in their natural state, meaning no grooming products.
7. 4-H / FFA animals will be sold by premium dollar.

8. All salesmen must have a current YQCA Certification **prior to June 15th** to participate in the Livestock Auction or to sell base bid animals.
9. All animals must have a livestock Auction Entry Form filled out, and fees turned into the Fair Office in the Ag Building.
10. 4-H / FFA member must return one of the sheets with the buyer signature to the Auction Secretary before premiums can be paid to them.
11. Sale sign-up will be at the Fair Office during fair week.
- 12. Deadline to sign up is Noon on Thursday, August 6.**
13. Late entries will be sold at the end of their respected species. Must contact Fair Office for Sale Chairman approval.
